

# PUBLIC PERFORMANCE RIGHTS COVERED.

This document certifies that music played from the YogiTunes service is 100% covered for public performance in any health and wellness related activity, venue or business.

**YogiTunes coverage is currently available in the United States only**, and is valid as long as the person or business broadcasting the music has an active YogiTunes Teacher or Studio subscription.

If ASCAP/BMI or any performing rights organization is inquiring about paying a licensing fee for public performance rights, please provide them with our contact info so that we may verify the status of your coverage:
